## In-Duct Pleated Air Filters

Designed to fit existing air filter housings!

OEM Replacement Ducted Air Filters are designed to fit existing air filter housings. OEM Replacements are pre-assembled for easy installation. Close pleats in 5" depth minimize pressure drop and extend filter life. Offered in ASHRAE, MERV 8, MERV 11, & MERV 13 ratings. OEM Replacements can last six months to a year in most home installations.
