

String Wound Filter Cartridges

Exceptional value when depth filtration is required.

Features & benefits

- Low cost
- Polypropylene media for chemical resistance
- Food grade ingredients for potable water
- No leachables to contaminate downstream
- Wide range of lengths and micron ratings
- Cartridges with stainless steel center tubes for temperature applications

Length	OD	Micron	No. / case
9-7/8"	2-1/2"	1	30
9-7/8"	2-1/2"	5	30
9-7/8"	2-1/2"	20	30
9-7/8"	2-1/2"	50	30
